Hi, everyone!

I hope you all enjoyed the May Day holiday and did lots of dancing around maypoles! Many of our May Day celebrations date back hundreds of years, marking the end of winter and looking forward to the summer ahead. Let's hope the summer lasts more than a week this year!

...mix in three adventurous teenagers and add one talking cat. Now say the words **Hocus Pocus** and one of the most spellbinding movies from **Touchstone Pictures** will be flying into your video stores this May.

Bette Midler stars in this spooky, hair-raising comedy which begins with three teenagers exploring a haunted house on Halloween Night. They accidentally conjure up the restless spirits of three witches who escape to turn the town upside down with their madness and mayhem.

With its combination of dazzling special effects, mesmerising performances and devilish comedy, all the ingredients are there for a spooky adventure you'll never forget.

HOCUS POCUS is available to rent on video from 17th May.

DONALD DUCK

Mastering The Matterhorn

Boys, wait! Yoo-hoo!

The altitude just made my ears click! I can't hear a word he's saying!

Looks like he wants to join us!

Join us? Why? We're not coming apart!

(Whew!) Er — maybe we did bite off quite a bit! We're sliding backward **one step** for every two strides forward!

But we're still doing better than Unca Donald!

He's sliding back **two steps** for every **one step** forward!

Wak! I'm probably the only duck who can climb like crazy and finally reach the **bottom**!

I guess I'd better get some suitable climbing gear!

Meantime...

(Whew!) Look, fellas! A **cave**! Let's stop there and rest!

Man! Look at the icicles!

Shh! What's that noise! Sounds like Unca Donald when he's having a bad dream!

SNORT!
SNORT!

Yowie! A rip-snorting wild mountain goat!

No wonder he's **wild**! Someone's tied him to an icicle!

No one'll find it **here** till the snow melts which is **never!**

We'll come back for it next year!

Meanwhile, it's in a safe spot, because few people make it to the top of the Matterhorn!

Yeah! But it was **easy** for us!

With the **rockets** we put on this **toboggan**, we shot up here with the greatest of ease!

Let's put a rock over the hole! If anyone else **does** happen to make it up here, they'll likely be too **tired** to look under rocks!

Atta boy, Big Horn!

We're almost there!

Eh? Someone's on the way up now!

Quick! Let's hide behind this snowdrift!

We're the youngest ducks ever to reach the top!

Thanks to our pal, Big Horn!

Hey! Look at that!

How can those kids ride that ornery goat? We had an awful time tying him up so we could pass on the trail!

Shh!

TRICKS THINGS

All for Sport!

With which sports do you associate the following:
 Twickenham, Cowdray Park, Henley, Bisley, Badminton, St. Andrews?
 Answer:
 Twickenham - rugby; Cowdray Park - polo; Wimbledon - tennis; Bisley - shooting; Badminton - horse trials; St. Andrews - golf.

Can you pass the driving test?

You don't need much for this joke ... just three bottle-tops (the sort you lever off with a bottle opener), a bit of cheek and a willing victim! This is what you do:

Get your victim to hold the palms of his hands together with his fingers spread and touching each other. Then say to him: "Now let's see if you're capable of passing the driving test. You have to answer three Highway Code questions..."

First question:
 Which colour is at the top of a traffic light?
 (Answer: red).

Second question:
 Which colour is in the centre of

a traffic light?
 (Answer: Amber)
Third question:
 Which colour is at the bottom of a traffic light?
 (Answer: green).
 As your victim answers each question correctly you press a bottle-top between each set of fingers. When all three bottle-tops are firmly in place, you congratulate your victim on passing the driving test and squeeze his hands together (below) to show your appreciation. Then hear him yell!

I betcha can't...

HERE ARE THREE EMPTY GLASSES AND THREE FULL GLASSES. I BETCHA CAN'T MOVE THEM SO THAT THREE EMPTY GLASSES STAND ALONGSIDE EACH OTHER AND THREE FULL GLASSES STAND ALONGSIDE EACH OTHER - BY TOUCHING ONLY ONE OF THE SIX GLASSES!

Shakespearian Shake-up!

These Shakespearian characters have strayed into the wrong plays. See if you can sort them out!

Rosalind	Merchant of Venice
Malvolio	Macbeth
Portia	Julius Caesar
Banquo	Twelfth Night
Orphelia	As You Like It
Brutus	Hamlet

Answer:
 Hamlet: Brutus - Julius Caesar
 Portia - Merchant of Venice; Banquo - Macbeth; Orphelia - As You Like It; Malvolio - 12th Night; Rosalind - As You Like It

Here's how you do it: Pour No. 5 full glass into No. 2 empty glass, then put No. 5 back!

Simple

Magic

Fast change band!

The simplest tricks are often the most impressive. Like this one, for instance...

One ...

Hang a rubber band over your third and fourth fingers. Now bind together the four fingers of the same hand with another rubber band threaded between them.

Two ...

Hook your thumb under the loose rubber band and stretch it lightly across the palm of your hand.

Three ...

Push all four fingers through the loose rubber band.

... and four ...

Now open the four fingers quickly and see what's happened to the loose rubber band. Suddenly it's now hanging over your first and second fingers! Practise doing this trick quickly, so that your audience will be completely baffled!

Seeing is believing!

Two halves make a whole!

Cut into an apple with a knife, deep enough so that the apple sticks on the knife. Now, using another knife, knock against the knife in the apple (blunt edge against blunt edge) several times - and suddenly you'll have two perfect half apples!

Noise-maker!

Rowdy balloon!

Everyone knows how to make noises with balloons by blowing them up and letting out the air slowly - but here's a new way of making a balloon noise - and you don't even have to blow it up! Using your forefingers to guide it, stretch out the balloon as far as

it will go in the palms of your hands. Then put the stretched balloon to your mouth and blow as hard as you can. P.S. You should get the same sound with this trick as when you blow on a blade of grass.

Tip of the week

World's cheapest magnifying glass!

Make a hole with a needle in a piece of paper, then enlarge the hole slightly by "stirring" the needle in it. Now hold the hole near the print that you want to magnify and look through it with one eye. It'll appear to be much bigger!

Don't look through this "mini-magnifying glass" for too long - it will hurt your eyes!

Which word means "part of the day" and when written in capitals reads the same forwards, backwards - and upside down?

Answer: NOON

UNCLE SCROOGE

Thanks For The Memories

CRASH!

You wanted to **forget** me, McDuck? Well, I've granted your wish! When you wake up you won't remember **anything** from the last few years!

I can steal your Lucky Coin! It'll be easy now there's no one trying to stop me!

What happened? Where am I?

He's waking up! I wonder how far back I short-circuited his memory! Ten years? Fifteen?

Excuse me, Miss, which way is it to the bank? I want one of those new 1911 calendars they're giving away!

He thinks it's **1911!** It worked even better than I'd planned! Oh, what a clever old witch I am!

Sir, I'll walk you to the McDuck B... er, I mean the bank! I was going there anyway! I want to make a **withdrawal!**

Really? How lucky for me!

Scrooge's arrival at the Money Bin caused a sensation...

Mr McDuck wants a 1911 calendar!

He wants a **what?**

Search everywhere!

What great service! You'd think I owned the place!

-EEK!
-CRUNCH!
-THUD!

Yes! Hee! Hee!
They do seem
eager to
please!

Still, they're not very
organized! I'd better
help them look!

THIS WAY TO
VAULT

I'll look
too! I'll go
this way!

McDuck's "indestruc-
tible" safe doesn't
stand a chance
against my
sorcery! I'll crack
it like an egg!

ZAP!

Magic fireworks and smoke
fill the air! Can anything
stand up to this?

FOOF!
ZAP!
KA-ZOOM!

Yes!

(Pant! Gasp!) McDuck was
telling the truth! His vault
is indestructible!

There's no way in - and McDuck won't
remember the combination! I wiped out
his memory!

And there's only
one cure - the Doubleknot
Forget-Me-Not! A flower
so rare it may not
even exist!

Oh, what a stupid
sorceress I am!

And then outside the Money Bin...

It's a good thing we heard that news bulletin about Magica escaping!

Hurry! We've got to warn Uncle Scrooge!

Stay behind me, kids! If we meet that witch I'll protect you!

Protect yourself, you bird-brained duck!

We're too late!

Poor Unca Scrooge! I bet she did something awful to him!

It couldn't be anything worse than this!

Moments later they found Scrooge inside, a really confused Scrooge!

Unhand me, strangers! You can't fool me! It's 1911!

No it's not! And we're not strangers! We're your nephews!

You're our Unca Scrooge... the world's richest duck! All this money is yours!

And this is just the petty cash! The rest is in your vault!

I'm rich! I'm rich! I'm rich!

Some things never change! Now you'll want to count your money, right?

No! Spend it!

He's going shopping!
Now I've seen
everything!

Unca
Scrooge on
a spending
spree! It can't
be true!

We ought
to go
after
him!

Relax! It's only petty cash! He'll
probably just buy himself
a new hat!

Scrooge did
buy a hat...

I like it!
Especially the
ruby studded
headband! I'll take
a **dozen** in different
colours!

IF IT COSTS
A LOT... IT
MUST BE
GOOD-

Excellent choice,
sir! They're only
£100 each!

And that was just the beginning...

I don't care
what it does! I
want it! **All** of it!
Giftwrap **everything**
in the store!

Yes, sir!
For that kind
of dough I'll
even giftwrap
myself!

GOOFY
GADGETS
INC.

And on it went,
until...

Stop the
delivery
trucks,
Unca Scrooge! There's no
more room!

CHUGGA-
CHUGGA-
CHUG!

The Money Bin's
bulging at the seams!

This can't go
on! Aren't you
out of petty
cash yet?

FRAGILE
THIS
SIDE
UP

Sure! I spent it all
...hours ago!

But so what? I've got no limit gold credit cards from everybody!

He's charging away his whole fortune!

He's forgotten how hard he worked for it!

This is terrible!

Sez you! I like him this way! He's forgotten how to be a miser! Look at all the great presents he's given me!

He even bought a present for Old Iron Beak! The finest tortoise food money can buy!

Yum! Smack! Drool!

Hot dog! Every time he stops the train we open more boxes of loot!

Ronald! Quick! I need your help!

"Ronald"?

That's nothing! He thinks you're "Hooey"! I'm "Phooey"! And he's "Kablooey!"

(Sob!) I want my own name! I want Unca Scrooge to remember us!

A solid-gold tuba! What's next... a pair of ruby slippers?

Who knows? I was too busy spending to see what I was buying!

This one's so big, I'll bet it's something wonderful!

They've got **everything** at those shopping centres!

A YUMMY ROLLER-COASTER RIDE!

Can you choose the correct route that Mickey, Minnie, Morty and Ferdie should take to collect all the goodies as they whizz through this roller-coaster ride?

The answer will be on page 31 of the next issue.
